

User Story for Whack-A-Mole Game

USER STORY

- As a player, I want to hit as many moles as I can, as fast as I can.
- As a player I want to be able to indicate whether I want music to play during game play.
- As a player I want to be able to indicate whether I hear sound effects each time I whack a mole.
- As a player I want to be able to monitor my score as I progress through the game.
- As a player I want to be able to control when game play begins.
- As a player I want to be able to monitor how much play time I have remaining in the game as I play.
- As a player I would like to be notified when the game ends.
- As a player I want to be able to view my final score.
